

**MEDICAL COLLEGE ADMISSION TEST (MCAT)**

In addition to maintaining a strong GPA, participating in volunteer activities and shadowing, students will need to take the MCAT. Students should plan on taking the MCAT during the spring semester of their junior year. The MCAT is composed of four sections: Biological and Biochemical Foundations of Living Systems; Chemical and Physical Foundations of Biological Systems; Psychological, Social and Biological Foundations of Behavior; and Critical Analysis and Reasoning Skills. Each section is scored from a low of 118 to a high of 132.
